

THE REED

In Memory of

Donald Schwahn

Nov. 12, 1951 – Nov. 17, 1968

On November 17, 1968, we lost a classmate and friend. We regret his passing but his memory will be ever present. Feelings of grief and loss were prevalent in all who knew him but we are thankful for the years he was with us.

ADVERTISEMENTS

As the youth of today's complex world, we must have the vision and inspiration to continue the learning process for life.

The decisions we make will help fashion our most priceless possession, our character.

We must rise to meet the personal responsibilities we have to our country and to ourselves.

With these thoughts in mind, we dedicate this annual - to the youth who will follow us through the halls of Reedsville High School.

Graduates - Class of 1969

It is with great pride that I congratulate the Class of 1969 as you graduate from the Reedsville High School. With this graduation you will commence an era in your life which will be exciting and hopefully most rewarding.

As a young man and young woman enter into the mainstream of life in today's society, they will enter a more exciting and wondrous world than ever before in history. Perhaps too there will be more frustration, and a more unsettled situation than ever before in the history of man. One truism can be stipulated - and that is that our young people are better prepared today than young people ever have been. And therefore you should enter into this new era with great expectations of what the future holds.

Today more than ever before it can be predicted that all of you will continue your education in some form or other, mostly formal education. During your elementary and secondary education you have developed a thirst for knowledge, and desire for achievement. Set your goals high and strive for maximum achievement. Hold the lamp of learning always before you to light your way to greater heights of knowledge.

Your teachers, associates, and families are proud of you as you graduate from a school that you may always consider as yours. You join a select group of proud graduates who have gone before you, and you will be emulated by those who follow you to graduate from the Reedsville High School.

It is my sincere wish that each of you will experience a great measure of happiness and success in your future endeavors. Please come back to your Alma Mater often.

To the Seniors:

May the word of God direct you
To do the things you should -
To live your life unselfishly
To know and choose the good.
And may the richest blessings,
That Heaven can bestow,
Be with you now and always,
No matter where you go.

The unknown author of this poem gives a prescription for a happy and satisfying life. I would hope that you would apply this philosophy to your own lives.

Best wishes for your success and happiness go forth with you as you depart. We will look forward to seeing and visiting with you as years pass. Feel free to use the resources of your school, they are here to serve you.

“Amazing Gracie” Tryouts

DIRECTOR
Miss C. Suminski

Tyler and Gracie Underwood, young college kids, marry secretly - unknown to Ty's rich Uncle Horatio, and Gracie's wealthy Aunt Talulah. It is perfectly amazing how Gracie can invent whoppers - she tells her boss, Damrock, that she isn't married, because he refuses to employ married women. She tells Ty's uncle she's a marvelous cook in order to get a handsome wedding check - and she can't even boil water. She tells her aunt she has a lady chaperone and when Aunt Talulah wires she is on her way for a visit, Ty has to play the chaperone! Of course Darius Damrock, Horatio Helfrey, and Talulah Tate - all of them bitter enemies - would decide to visit the Underwoods on the same day and immediately one riotous action-filled scene followed another.

With these pictures
we end the 196--
1963 school year.

We, the editors of the 1969 REED, wish to acknowledge our deepest appreciation to our friends on the Annual Staff, who helped us prepare this year's REED.

Thanks are also in order to Mr. Stefanski for his tireless picture taking.

We especially would like to thank Mr. McDonough for his understanding and cooperation.

Farewell

THE ROAD GOODBYE

The road I took was named Goodbye
The path looked strange, I wondered
why
It left familiar things behind.
A hand caught mine ... I paid no mind.

All the friends that I once knew
Took a road named Goodbye too.
There were no two roads just the same
Though all were called Goodbye by
name.

The road went on: we went on too,
And I was sad, for then I knew
That never could I be the same
Having walked down Goodbye Lane.

And though I couldn't understand
We walked together hand in hand.
We said no words, but just walked on.
I thought of things now past and gone.

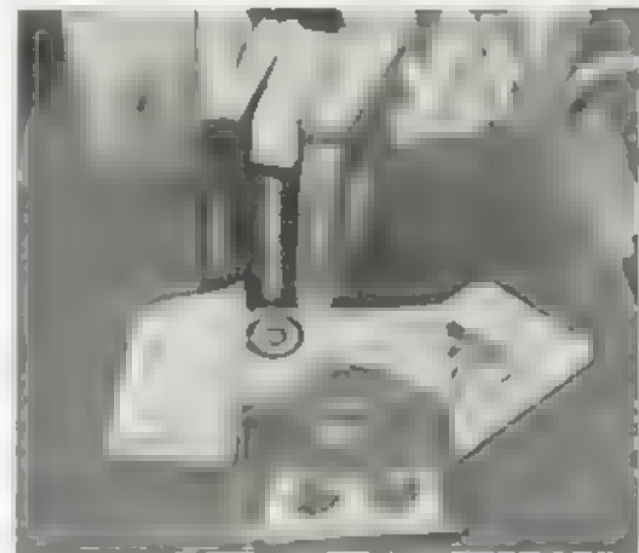

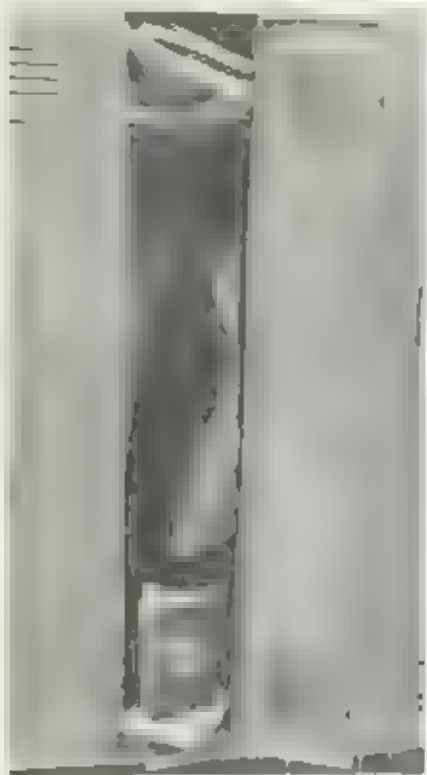

I thought of games I'd lost and won,
I thought of all the things I'd done,
I thought of those I loved and cared,
Of times we'd lost and things we've
shared.

I thought of those I'd come to know.
Just knowing them - they'd helped me so.
I thought of things, of tears I'd shed ...
Those same things now brought smiles
instead.

The tasks I'd done, those left to do,
I wondered how I'd make it through
When something inside seems to say
"The best you can from day to day."

I thought of all the happy days,
The sad ones now just seems a haze,
And in a flash I came to see
How much the past had meant to me.

We walked along - I wondered where
The future led and what was there
The past still echoed from behind
I was its. and it was mine.
